Nahlee Lin SAT: 2400
Rowland Heights Campus Alumni

“Taking SAT classes at ACI was one of the best decisions of my life... The teachers made class enjoyable but still productive, and everyone at ACI was devoted to helping all of the students succeed... Thanks to ACI, I no longer have to worry about the SAT!”

Candice Kim

San Marino Campus Alumni

SAT: 2400

“I could not have achieved a 2400 without ACI's help. First and foremost, the teachers at ACI are excellent. They are funny while being educational at the same time, making classes really enjoyable. I never felt bored, even though we spend many hours in class. I think this engaging learning environment is what makes ACI so effective. I have been to other SAT prep centers before in the past, but ACI definitely stands out as the best.”
