Nahlee Lin SAT: 2400

“ Taking SAT classes at ACI was one of the best decisions of my life... The teachers made class enjoyable but still productive, and everyone at ACI was devoted to helping all of the students succeed...
Thanks to ACI, I no longer have to worry about the SAT!”

Evelyn Gemberling
Temple City Campus Alumni

SAT: 2330

“ACI’s teachers always explained the questions and answers clearly, made the test easier to understand, and prepared me for all the different types of questions I would face. Taking classes at ACI had a major impact on my score and work habits. I know that if I had started out at ACI earlier, I would have seen an even greater impact in my score because each week I spent at ACI taught me so much.”
