從普通生到資優生最有效果的培訓系列

All courses designed in accordance with California's Common Core Educational Standard to help students prepare for advanced track and honors programs.

- English courses cover critical reading, vocabulary, grammar, writing, logical thinking, and public speaking to help students develop a broad range of skills.
- Classes devised to help students master both the understanding and application of math curriculum.
- 100% focused on helping students improve their academic performance across every subject.
